FROM THE FLOOR:

- Tom and Julie Kozel 9379 Arrowhead Lane, are concerned about their neighbor parking in their yard, stating that they have nicely asked them not to but the neighbor will not listen. The Trustees stated that the best thing to do is to call the Sheriff's Office every time they park there. Their second concern was that Western Water had messed up their yard putting lines in for two new homes across the street. Mr. Fisher stated that Western Water has Right of Way there and is allowed to dig for water lines but should repair within 90 days. He will contact someone at Western Water. And their third complaint was that another neighbor shoots a bow and arrow across their property. The Trustees instructed her to contact either the Sheriff's Office or the Game Warden, Jason Keller.
